SCECINA ALUM LEADING NATION IN ASSISTS

IU East Volleyball Player Reaches Top of NAIA Leaderboard

October 11, 2010: After enjoying a record-breaking freshman season for Indiana University East's volleyball team last year, Lauren Crump could have suffered the dreaded "sophomore slump."

Instead, the 2008 Seccina Memorial High School graduate has raised her game to new heights.

Crump is leading all National Association of Intercollegiate Athletics volleyball players with an average of 11.8 assists per game this season and has helped her team build a 24-0 record.

Last year, Crump finished the season as the school's leader in assists in a match, a season and in a career.

As a team captain and MVP at Seccina, Crump showed her skills often. She was named to the all-city and all-conference teams and was an Indiana all star her senior year.

Seccina Memorial High School is a co-educational Catholic school on the east side of Indianapolis. The school, established in 1953, serves the East Deanery of the Archdiocese of Indianapolis.
