FOR IMMEDIATE RELEASE

Ethical Leadership Enrichment Opportunity

Seccina is partnering with alumnus Mr. Jerry Jones, Class of 1968 and CEO of Cannon IV, to offer an enrichment opportunity on Ethical Leadership during the spring of 2010. Mr. Jones has developed this opportunity that will feature student reflection, discussions, projects, and field trips to interact with business and community leaders. Topics that the group will explore include justice and mercy, truth and loyalty, individual and community, and morality and manners.

This opportunity is a unique opportunity for hands-on learning and reflection outside the classroom through the benefit of peer interactions and interactions with successful community leaders from the Indianapolis metropolitan area. Seccina Memorial High School is grateful to Jerry Jones and looks forward to continuing this opportunity into the future.

SCECINA MEMORIAL HIGH SCHOOL IS A CO-EDUCATIONAL CATHOLIC SCHOOL OF THE ARCHDIOCESE OF INDIANAPOLIS. THE SCHOOL WAS ESTABLISHED IN 1953 AND SERVES STUDENTS FROM THE EAST SIDE OF INDIANAPOLIS.
