

Rooted in Faith. Ready for What's Next.
You Can Go Anywhere from Here.

Our Students are the Proof.

Inspired by the footsteps of Father Thomas Scecina, today's Crusaders are discovering who they are, developing their God-given gifts, and preparing for lives of faith, purpose, and possibility. **They leave Scecina ready for what comes next—and knowing they can go anywhere from here.**

As we begin the 2026–27 school year, we're grateful to have you as part of the Scecina story.

Helping students believe they can go anywhere from here takes an entire community. The Scecina Fund brings together alumni, families, and friends who help make possible the experiences, opportunities, and resources our students need to discover their gifts, pursue their potential, and prepare for wherever life takes them.

Your generosity touches nearly every part of the Scecina experience, supporting the students and educators who make this community so special. And no matter the amount, every gift matters. Together, those gifts help ensure today's Crusaders—and the generations who follow—have the opportunity to learn, grow, and thrive at Scecina.

Thank you for believing in Scecina, for investing in the young people entrusted to our care, and for being part of the community that makes their Scecina experience possible.

THE SCECINA FUND 2026-27 GOAL
\$1.5 MILLION

Catholic Culture

Your generosity helps build a vibrant Catholic school community rooted in the belief that every person has God-given dignity and potential.

Students grow in faith through theology courses, Christian retreats, community service, prayer, worship, and opportunities to put their faith into action. Your support helps Scecina remain a place where faith is not simply taught—it is lived.

Tuition Assistance

A Scecina education should be accessible to families who want their children to experience our Catholic school community.

Your gift opens doors. Your support provides need-based financial aid and scholarships that help make a Scecina education possible for our families. For some students, your generosity makes a Scecina education—and all the opportunities that come with it—possible.

Academic Excellence

Every student deserves the opportunity to succeed—whether the next step is college, a career, the military, or a certification program.

Your support helps provide academic resources and experiences that prepare students for life beyond Scecina, including:

- Challenging courses, Honors, Advanced Placement, and dual-credit opportunities
- Career and technical education and workforce training partnerships
- Hands-on learning and industry certifications
- Technology and classroom resources
- Individualized academic support for students with diverse learning needs

Together, we help students discover their strengths and prepare for what comes next.

Student Life

Athletics and extracurricular activities are an important part of the Scecina experience. On the field, court, course, stage, and throughout campus, students discover new interests, build relationships, and learn lessons that extend far beyond high school.

Your generosity helps provide the equipment, resources, facilities, and opportunities that allow our student-athletes and performers to develop their God-given talents while learning discipline, teamwork, perseverance, leadership, and sportsmanship.

At Scecina, student life is an important part of our commitment to educating and forming the whole person.

Care for our Campus

Our campus is more than a collection of buildings. It is where students learn, pray, compete, perform, build friendships, and create memories that last a lifetime.

The Our Faith, Our Journey, Our Time capital campaign made significant investments in our campus, creating new and improved spaces for today's students. Caring for those investments is an important responsibility. Your support helps us maintain and enhance our facilities, so they remain safe, welcoming, and ready to serve generations of Crusaders.

Your support helps us care for the campus we share today while preparing it for tomorrow.

Every Gift Makes a Difference!

Every day at Scecina, students are discovering who they are, developing their God-given gifts, and preparing to make a difference in the world.

Your investment in Scecina is an investment in our students and in the future of our community.
