Sponsored by the Cana Foundation

The Immaculata Scholarship is established for students entering Scecina Memorial High School (SMHS) who have attended Our Lady of Lourdes Catholic School (OLL) for a minimum of grades 7 and 8 and who meet the requirements stated below. The scholarship value for an individual student will be the amount of family financial need, up to the level of full tuition, as determined by Scecina Memorial High School through its normative financial aid application and assessment procedures. An individual student's scholarship will be renewable each year if he or she maintains his or her eligibility according to the expectations outlined below.

All nominees must submit a brief essay describing why they want to attend Scecina Memorial High School and explaining their interests and goals for high school. This must be submitted to Miriam Medina (mmedina@scecina.org) at Scecina by **March 16, 2020**.
