

SECICINA MEMORIAL HIGH SCHOOL

January 22, 2026

Dear Seccina Students and Parents,

We are excited to announce the start of re-enrollment for the 2026-2027 school year! We are looking forward to successfully completing the current school year and your child returning with us next year for the year 2026-27. Your child and you are important to the Seccina Community, and we value your continued partnership.

Your active involvement in the re-enrollment process will place your child in academically appropriate classes and provide our staff with valuable information to support you next year. Should you have any questions about the process in general or about any specific phase, please contact us!

In this letter, we are providing a high-level overview of the required steps to complete the re-enrollment process. Re-enrollment includes four phases: (1) registration form and fee, (2) tuition assistance application or waiver, (3) academic course requests, and (4) completing the enrollment checklist.

Our goal is for all families to complete Phases 1-3 of the re-enrollment process before Friday, **March 6, 2026**. This timeline will allow you to request academic classes for next year and take advantage of the Early Registration Discount that ends on **March 15, 2026**. All re-enrollment information, including a copy of this letter, is located at <https://www.seccina.org/academics/re-enrollment/>. A description of each re-enrollment phase is below. We are now in re-enrollment Phases 1 and 2 as described below. Phase 3 begins on Wednesday, February 4, and Phase 4 begins on Tuesday, March 3.

Phase 1: Registration Form and Fee (Available Now; Please complete by **March 6, 2026)**

Families must complete the registration form on Finals Site Enrollment (previously SchoolAdmin), our online re-enrollment system, to indicate their child's enrollment at Seccina Memorial High School for the 2026-27 school year. The form will be pre-filled with information from the **2025-26** school year; please carefully review the information and make any necessary updates. Families are invited to log onto their account on Finals Site Enrollment at [Seccina Memorial High School](https://www.seccina.org/academics/re-enrollment/) now. If you have trouble accessing your account, please contact our Tuition Managers at 317-352-3262 to speak with Dave Smith, Tuition Manager, dsmith@seccina.org, or 317-352-3224 for Ivette Clinger, Tuition Manager y Contacto Latino (iclinger@seccina.org).

After submitting the registration form, families will be prompted to pay the registration fee. There is only one registration fee per family, regardless of the number of children attending Seccina at the same time. The fee will be reflected on only the oldest child's enrollment checklist on the Finals Site Enrollment website. The registration fee is \$160 on or before Sunday, **March 15, 2026**. Starting March 16, 2026, the registration fee will be \$260 per family.

Phase 2: Tuition Assistance Application or Waiver (Available Now; Please complete by April 30, 2026)

Seccina is committed to meeting every family's demonstrated financial need so that Seccina is affordable and accessible for everyone who wishes to attend. Through the generosity of hundreds of Seccina alumni and friends, every year we award significant amounts of need-based tuition assistance and scholarships.

The tuition assistance application and waiver are available now via Finalsite at https://scecina.fsenrollment.com/users/sign_in. We ask all families to complete the tuition assistance application or waiver before April 30, 2026.

Phase 3: Academic Course Requests and Intent to Return Forms (Begins February 4, 2026; Completed by February 27, 2026)

In this phase, we will utilize your child's successes in the current school year, teacher recommendations, and a focus on your child's graduation requirements. By us all working together to move efficiently through the previous phases, and completing Phase 3 on time, we will release student academic schedules as early as possible during summer break. Important milestones in this phase include:

- By February 4, 2026, the 2026-27 Course Catalog will be posted to the Seccina website (<https://www.scecina.org>).
- Beginning February 9, 2026, and through February 12, 2026, school counselors will review with students the course requesting process during WIN periods during the school day.
- By February 12, 2026, teachers complete course recommendations for students based upon current academic performance.
- By February 16, 2026, information about the course requesting process and intent to return form will be emailed to all families.
- By February 27, 2026, students will complete course requests with parental and school counselor input.

Phase 4: Complete Enrollment Checklist Please complete by June 30, 2026

Phase 4 includes the signed tuition contract, FACTS Payment Plan Enrollment, CHOICE Voucher Appointment, Medical Information Form, Ethical Use of Technology Agreement and the Technology Fee. More information about completing the items in Phase 4 will be forthcoming.

Thank you once again for being an important member of our Seccina Community. On behalf of our administration, faculty, and staff, thank you for completing the re-enrollment process on time and for saying "Yes!" to Catholic education at Seccina Memorial High School. We look forward to serving and supporting you now and always!

Sincerely,

Dr. Peg Dispenzieri, Principal
